

Habitat-Denver Celebrates Its 25th Anniversary Shortly

By **JIM SMITH**
Jefferson County Realtor®

On June 27th, Habitat for Humanity of Metro Denver will throw a party for itself and its supporters at Lakewood's Heritage Center (in Belmar Park, south of Lakewood Commons). Supporters needn't worry that the organization is spending money on the event, which is sponsored by one of its corporate admirers, the Colorado Housing & Finance Authority (CHFA).

For information about the party and to RSVP (by June 18), visit www.HabitatMetroDenver.org.

Did you know that...

- ◆ Habitat of Metro Denver is one of the first 10 affiliates of Habitat for Humanity?
- ◆ Habitat has built almost 250 homes in Denver, housing over 1,000 people?

◆ Over 7,000 volunteers work on Habitat-Denver projects each year?

◆ Less than 1% of Habitat home worldwide are foreclosed on?

◆ Volunteering on a Habitat project can be a transforming, spiritual experience?

For these reasons and more, I tithe 10% of every commission I earn to Habitat. For a breakdown of my 2004 donations, visit www.HelpingHabitat.com.
